

## LYNDEX TG COLLETS - PRECISE!

TG Standard Collets collapse approximately 1/64". Precisely machined to exacting standards, TG Collets are a good choice for high speed/high precision milling and drilling operations.

- Tolerance: Guaranteed to be within 0.0003" at the collet's nose.
- Accuracy: Less than 0.0005" at 4 x D

### 25TG COLLETS Size Range: 3/64 - 1/4"

Part Number	Size	Part Number	Size
025-003	3/64"	025-010	5/32"
025-004	1/16"	025-011	11/64"
025-005	5/64"	025-012	3/16"
025-006	3/32"	025-013	13/64"
025-007	7/64"	025-014	7/32"
025-008	1/8"	025-015	15/64"
025-009	9/64"	025-016	1/4"
